13.5	<b>SERVICE CONNECTIONS (VAT INCLUDED)</b>				
	a) For all standard underground service connections, the consumer is responsible for the digging of the trench between the boundaries of the stand to the dwelling.				
	b) The owner of the premises concerned shall make application for the installation or reinstatement of a service connection in a form prescribed by the engineer.				
	c) A service connection shall be installed at the expense of the owner and the cost thereof as determined by the Council's Engineer shall be paid to the Council before supply is authorised.				
	d) Every part of the service connection shall remain the property of the Council.				
	e) Notwithstanding the fact that the service connection to an approved electrical installation may already have been completed, the Council may in its absolute discretion refuse to supply electricity to that installation until all amounts due to the Council by the same consumer in respect of that or any other service connection, whether or not on the same premises, have been paid.				
	f) No owner shall be entitled to require more than one service connection for a supply to any premises even if it comprises or occupies more than one stand. The engineer may, however, subject to such conditions as he thinks fit to impose upon the owner, provide more than one service connection to a premise and where more than one service connection is so provided, it shall be unlawful to interconnect them.				
	g) The applicant for a service connection shall, before work on his installation is commenced, furnish the Council with such indemnity as it may specify.				
	h) The engineer may, notwithstanding any indemnity given in terms of paragraph 5.6 refuse to install a service connection until he is satisfied that no person is entitled to object to such installation.				
	i) The levy for all connections includes the cost to the consumer of all material, meters, equipment, transport and labour which, to the reasonable estimate of the Council's Engineer, will be required to establish the connection plus an amount of <b>10%</b> of such costs for administrative fees.				
	Should contractor be involved such must be <b>Accredited</b>				
	j) An indigent will only pay 10 % of the cost as mentioned in item (i) above
