re estimated consumption calculated on actual consumption over (two month's/three month's/longer period) le n average for how long does the municipality use estimates before reverting back to actual readings? (months) luration (hours) before availability of water is restored in cases of service interruption (complete the sub uestions) One service connection affected (number of hours) Up to 5 service connection affected (number of hours)	Only to indigent consumers
In average for how long does the municipality use estimates before reverting back to actual readings? (months) **Puration (hours) before availability of water is restored in cases of service interruption (complete the subscients) One service connection affected (number of hours) Up to 5 service connection affected (number of hours)	Per month
on average for how long does the municipality use estimates before reverting back to actual readings? (months) Furation (hours) before availability of water is restored in cases of service interruption (complete the subsections) One service connection affected (number of hours) Up to 5 service connection affected (number of hours)	longer period
Up to 5 service connection affected (number of hours) 24 Up to 5 service connection affected (number of hours)	less than 12 months depending on meters availability
One service connection affected (number of hours) Up to 5 service connection affected (number of hours)	
. , ,	4 hours (depends on how many burst pipes)
Up to 20 service connection affected (number of hours)	24 hours
	15 hours
Feeder pipe larger than 800mm (number of hours)	2 Days
/hat is the average minimum water flow in your municipality?	unknown three towns
o you practice any environmental or scarce resource protection activities as part of your operations? (Yes/No)	Yes
ow long does it take to replace faulty water meters? (days)	60 days (if meters are availble)

Description Standard	Service Level
Do you have a cathodic protection system in place that is operational at this stage? (Yes/No)	No
Electricity Service	
What is your electricity availability percentage on average per month?	95
Do your municipality have a ripple control in place that is operational? (Yes/No)	No
How much do you estimate is the cost saving in utilizing the ripple control system?	N/A
What is the frequency of meters being read? (per month, per year)	per month
Are estimated consumption calculated at consumption over (two month's/three month's/longer period)	Longer period
On average for how long does the municipality use estimates before reverting back to actual readings? (months)	less than 12 months depending on meters availability
Duration before availability of electricity is restored in cases of breakages (immediately/one day/two days/longer)	Less than 24H
Are accounts normally calculated on actual readings? (Yes/no)	Yes
Do you practice any environmental or scarce resource protection activities as part of your operations? (Yes/No)	No
How long does it take to replace faulty meters? (days)	60 days depends on availability of meters
Do you have a plan to prevent illegal connections and prevention of electricity theft? (Yes/No)	No - Regular inspections, and review of exeception reports. Tipoff from community.
How effective is the action plan in curbing line losses? (Good/Bad)	Current losses are +- 15%
How soon does the municipality provide a quotation to a customer upon a written request? (days)	30 days
How long does the municipality takes to provide electricity service where existing infrastructure can be used? (working days)	30 days if no extention is required
How long does the municipality takes to provide electricity service for low voltage users where network extension is not required? (working days)	30 days
How long does the municipality takes to provide electricity service for high voltage users where network extension is not required? (working days)	30 days
Sewerage Service	
Are your purification system effective enough to put water back in to the system after purification?	Yes
To what extend do you subsidize your indigent consumers?	100%
How long does it take to restore sewerage breakages on average	48 hours
Severe overflow? (hours)	48 hours (depend on blockage)
Sewer blocked pipes: Large pipes? (Hours)	48 hours (depend on blockage)

Description	
Standard	Service Level
Sewer blocked pipes: Small pipes? (Hours)	4 hours (depend on blockage)
Spillage clean-up? (hours)	24 hours (depend on blockage)
Replacement of manhole covers? (Hours)	6 hours if available
Road Infrastructure Services	
Time taken to repair a single pothole on a major road? (Hours)	4
Time taken to repair a single pothole on a minor road? (Hours)	4
Time taken to repair a road following an open trench service crossing? (Hours)	48
Time taken to repair walkways? (Hours)	48
Property valuations	
How long does it take on average from completion to the first account being issued? (one month/three months or	
longer)	3 to 5 months
Do you have any special rating properties? (Yes/No)	Yes
Financial Management	
Is there any change in the situation of unauthorised and wasteful expenditure over time? (Decrease/Increase)	Decrease
Are the financial statement outsources? (Yes/No)	No
Are there Council adopted business process tsructuing the flow and managemet of documentation feeding to Trial	
Balalnce?	Yes
How long does it take for an Tax/Invoice to be paid from the date it has been received?	37 Days
Is there advance planning from SCM unit linking all departmental plans quaterly and annualy including for the next	
two to three years procurement plans?	Yes
Administration	
Reaction time on enquiries and requests?	5 days
Time to respond to a verbal customer enquiry or request? (working days)	2 days
Time to respond to a written customer enquiry or request? (working days)	5 days
Time to resolve a customer enquiry or request? (working days)	5 days
What percentage of calls are not answered? (5%,10% or more)	10%
How long does it take to respond to voice mails? (hours)	N/A
Does the municipality have control over locked enquiries? (Yes/No)	Yes
Is there a reduction in the number of complaints or not? (Yes/No)	Yes
How long does in take to open an account to a new customer? (1 day/ 2 days/ a week or longer)	30 minutes

Description	
Standard	Service Level
How many times does SCM Unit, CFO's Unit and Technical unit sit to review and resolve SCM process delays other	
than normal monthly management meetings?	Bi-weekly
Community safety and licensing services	
How long does it take to register a vehicle? (minutes)	N/A
