2. FOREWORD

In terms of section 7 (2) of the Municipal Finance Management Act No.56 of 2003 (chapter 3), all money received by a municipality must be paid into its bank account or accounts, and this must be done promptly and in accordance with chapter 3 of MFMA and any requirements that may be prescribed.

Section 8 (2) of this Act states that the following moneys must be paid into a municipality's primary bank account:

- All allocations to the municipality, including those made to the municipality for transmission to a municipal entity or other external mechanism assisting the municipality in the performance of its functions;
- All income received by the municipality on its investments;
- All income received by the municipality in connection with its interest in any municipal entity, including dividends;
- All money collected by a municipal entity or other external mechanism on behalf of the municipality; and
- Any other moneys as may be prescribed.

Section 8 (3) states that a municipality must take all reasonable steps to ensure that moneys referred to in sub-section (2) are paid into its primary bank account.

Section 13 (1) states that the Minister, acting with the concurrence of the Cabinet member responsible for local government⁰, may prescribe a framework within which municipalities must:

- Conduct their cash management and investments; and
- Invest money not immediately required.

Section 13 (2) states that a municipality must establish an appropriate and effective cash management and investment policy in accordance with any framework that may be prescribed in terms of sub-section (1).

Section 64 of MFMA (Chapter 8) states also says that:

- Subsection (1) - The accounting officer is responsible for the management of the revenue of the municipality;
- Subsection (2) (d) - The accounting officer must for the purpose of subsection (1) take all reasonable steps to ensure that all money received is promptly deposited in accordance with MFMA into the municipality's primary bank account;
- Subsection (2) (e) (iii) - The accounting officer of a municipality must ensure that the municipality has and maintains a management, accounting and information system which accounts for receipts of revenue.

3. PURPOSE OF THE POLICY

The purpose of this policy is to ensure that the principles and procedures for Cash Control are formalised.

4. POLICY PRINCIPLES

Section 95 (i) of Municipal Systems Act No. 32 of 2000 indicates that in relation to the levying of rates and other taxes by a municipality and the charging of fees for municipal services, a municipality must, within its financial and administrative capacity – provide accessible pay points and other mechanisms for settling accounts or for making pre-payments for services.

Section 96 (a) of the Municipal Systems Act states that a municipality must collect all money that is due and payable to it.
