Rating	Terminology	Description

The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the Performance Plan and maintained this in all areas of responsibility throughout the year.

7.3.1.4 An overall rating will be calculated based on the total of the individual ratings calculated above.

7.3.1.5 In the instance where the employee could not perform due to reasons outside the control of the employer and employee, the KPI will not be considered during the evaluation. The employee should provide sufficient evidence in such instances; and

7.3.2 Assessment of competencies
